

Getting Started

Take a moment to talk about the following roads you've walked
(You can go literal or figurative. Whatever you want)

- What is the most interesting road you've ever walked ?
- What is the scariest road you've ever walked?
- What is the most exciting road you've ever walked?
- What road contained the most unexpected turn?

Going deeper

In [1 Corinthians 9:19-23](#) Paul talks about his passion to reach people here, there and everywhere. What do these verses reveal about how we should pursue reaching and rescuing people?

In [Acts 1:6-8](#) Jesus gives us our purpose as a church to reach people here, there and everywhere. Our job is found in two words, "restore" and "witness." Let's take a moment to discuss both of them

There are two ways we can get people from There to Here.

1. Move from judging to restoring

87% of people outside the church labeled Christians as judgmental. Have you experienced those attitudes?

Take a moment to read the following verses. What insights do these verses give in regard to judgmental attitudes?

[Romans 1:24-27](#)

[Romans 1:28-32](#)

[Romans 2:1](#)

[Romans 8:1-2](#)

[1 Corinthians 5:12](#) says What business is it of mine to judge those outside the church?
How can we as people move from judging people to restoring people?

2) Move from selling to storytelling

God calls us to be his witnesses. Why is that so scary for us?

A witness is simply someone who has seen something amazing and so naturally wants to talk about it. If only we could put ourselves in a position to see God do great things we could move from trying to sell people on Jesus to simply telling the stories of God from our lives. How can we make this switch in our lives?

Take a moment to list some things that God has done in your life.

God is the only one who can do a restoration in someone's life, all he asks of us is to begin the relationship. Who is a person in your life that doesn't know God that you can begin a relationship with?
