Luke 22: 7-24

1.) What table will you eat at?

2.) The table of Jesus is for all.

“We lift the cup to life, to affirm our life together and celebrate it as a gift from God. When each of us can hold firm our own cup, with its many sorrows and joys, claiming it as our unique life, then too, can we lift it up for others to see and encourage them to lift up their lives as well. Thus, as we lift up our cup in a fearless gesture, proclaiming that we will support each other in our common journey, we create community.”
