

We will hit roadblocks and challenges, but what we do today—what we focus on and invest in—determines the future we will help create.

How willing are you to take risks to support the generation next in line to continue building God’s Kingdom?

What do these verses speak about the upcoming generation if we invest in them?

- [Deuteronomy 6:2-9](#)
- [Psalm 22:30](#)
- [Psalm 78:4](#)
- [Psalm 145:4](#)

Comparatively, how much time **Time and Money** do people invest in their children in these different ways? Is it balanced or does it reflect the values we want for our children?

- Education, Private School, Tutors
- Sports
- Arts: ie Dance, Art class.
- Entertainment: ie. Movies, shopping etc.
- God

Read [Galatians 6:7-10](#)

What does these verses say about investing in the next generation so they understand the value of God and loving others?

Discuss different ways we can be more intentional at investing in our children and others kids, as they grow in their walk with God?

The early church was know for rallying together in community to support each other.

Read [Acts 2:42-47](#)

Are there elements in these verses that we could practice more regularly that would be a model for the next generation?

Take a minute to pray with your group about the role of “Investing in the Next Generation” and how it will play out in your life as you move forward.
