

Getting Started

Share a story about a time you got in trouble as a kid.
What were the consequences, and how do it make you feel?

Going Deeper

Read [Ephesians 6:12](#)
What is going on here?

On Sunday, Chad talked about the story found in Judges 19. The story was a narrative about a heinous act where a woman is raped and murdered. This story shows us what a world without God looks like. Chad mentioned in the message that we are living in a world that sees part of this evil but also sees some good too. In a sense we are living in the tension of good vs evil.

Was there anything from the message that stuck out to you? Take a minute to share.

If we are living in this tension of good and evil where have you seen good?
Where have you seen evil?

1.) WE MUST GET INVOLVED IN THE TENSION

The first point from the message was that, if we are living in this tension, we must get involved in the tension.

[Judges 19:30](#) says, *"We must do something! So speak up!"* In other words, if there is evil and good in the world, we must get involved to help bring more good.

What are ways you specifically can get involved in helping “do good” in this world? Has there been a way you have done “good?” What was that like? How did it grow you in your relationship with God? (*Yes, toot your own horn a little*)

Has there ever been a time where you had the opportunity to do good but you didn’t? (*Yes you have to be a little more vulnerable here*)

Whats does this phrase mean to you? How could you apply it to your life?

*“Your good works will not get you into heaven,
but they could get someone else there.”*

2.) REMEMBER THE TENSION LIVING INSIDE OF YOU

Read [Romans 7:14-22](#)

What is Paul saying here?

“We all have this tension of good and evil living inside of us.”

- Have you ever experienced this inner turmoil of good VS evil living inside of you?
- Did you experience it before you were a Christian? Do you experience it less or more as a Christian?
- God doesn’t want to just heal you. He wants to make you whole.

CLOSING

What are ways you want to become more “whole” in your relationship with God?

What are ways you want your house to become more “whole?”

What are ways you want your relationship with friends or family to become more “whole?”

Take a few minutes to close in prayer.
