

Just for fun answer one or more of the following questions about growing up in your family

- Can you remember a time when you did something wrong and your parents caught you red handed?
- Tell us about a memorable vacation you went on as a family growing up.
- Are there any sayings your dad or mom had that you can share?

What legacy did you inherit from your parents?

What are some specific lessons your parents taught you that you remember today?

What kind of legacy would you like to leave your family?

How will you parent differently than your parents did? What will you do the same?

Read the following verses and talk about what they say about our family relationships

- Ephesians 5:21-33
- Ephesians 6:1-4
- Proverbs 22:6
