HEY THERE,

WE CANNOT WAIT TO GO TO CAMP WITH YOUR CHILD.

Here's the Scoop. We're a little under two weeks away from winter camp at Thousand Pines in Crestline, CA and we hope your student is as excited as we are!

We know this weekend will be packed with great connections and tons of fun. There will be archery, ziplines, and snacks everywhere. Your kid will have the chance to connect with their group, leaders, and the Lord.

Here at Canyon Springs, our goal is to provide safe and enjoyable camp experiences. If you have sent your kid to camp with us before, I'm sure you already know.

Please have your student at the Cove at 1:00 PM for check in. Should you arrive earlier than that, we will have to ask you to wait as we may not be ready for you. However, please be punctual as we will be departing at 1:30 PM.

We will have a quick 5 minute parent meeting before departure. Please stick around as we will communicate important information during that time.

We will return on Sunday between 12:00 PM - 2:00 PM. You can sign up for text updates by texting "CSCHURCH" to 41411.
