Jacob & Esau

Proverbs 22:1

What's In A Name?

We all want our name to mean something. We want to be well thought of. When people think about our name we want them to have good thoughts. Great memories. When our children hear the word mom or dad we want them to think great thoughts about us. We want them to have happy memories. We want to be known as people who are wise and caring. When we hear the word grandparent we want our grandkids to love us and honor us and remember us. Very few of us get named in such a way that our original name matches our character. But we all want our names to be valued by the people who know us. Come find out how God can give value to your name.

A good name is more desirable than great riches; to be esteemed is better than silver or gold. Proverbs 22:1
